Subject: Trial in North Adams on Monday

Hi Sonja,

I am not sure if you were ever properly notified, but in case you were, you do not have to be in North Adams on Monday for the [REDACTED] case ([REDACTED]). The defendant is going to plea on that charge.

As per usual, thanks for your work on this case. I hope everybody in the Amherst lab (the best lab in state) is not having to deal with too much nonsense because of what happened in Jamaica Plains.

Joe
